

Child's Name _____

La Casita Preschool Intake Form

Thank you for taking the time to fill out this form so we can become more familiar with you and your child. All information is confidential. Use additional paper as necessary.

Please share your basic philosophy of child rearing:

How do you discipline your child?

Who are the important people in your child's life? Any people outside of your child's immediate family? (Friends, caregivers) Do you have any pets?

**Please describe your child's basic disposition.
What might your child feel afraid of? happy? sad? angry? excited?**

Are there toileting concerns you'd like us to know about? (Does your child go on his/her own? Does s/he need reminding or help wiping?)

Child's Name _____

Does your child have any special interests or passions you'd like to share with us?

Are there any special family circumstances you would like to share?

Does your child watch television and/or videos at home? If so, what and how often?

When is your child's bedtime?

Health History/Intake: Is there anything you would like to share about your child's birth?

Does your child have any medical concerns, allergies or dietary restrictions? If they have had allergic reactions, what were the symptoms?

Child's Name _____

Have they ever had an allergic reaction, seizure, asthma attack, fainting, or heart problems? If so, please explain:

If they have had an allergic reaction, what were the symptoms?

Has your child ever been hospitalized, or had surgery?

Is your child seeing an occupational therapist, or has s/he?

What is your child's heritage?

Does s/he speak another language besides English? If so, what languages?

Child's Name _____

Please share with us any ideas about how can we support your child's first language and culture at school:

Would you be comfortable coming in to share a song, story, or snack from your first culture during your monthly participation this year?

Are there any important religious observances we need to know about?

What is your family structure? Siblings, extended family?

How does your child say Hello, Goodbye, Mom, Dad, Potty, Hungry, Sick, Tired, in their first language?

What are your hopes about your child's preschool experience, both for your child and for your family?
